SECURITY AGREEMENT EQUIPMENT

It is hereby agreed this 30th day of April, 1993 by and between ITG, Inc. ("Borrower")
a corporation of the State of Texas, and The First National Bank of Maryland ("Bank"),
(LEGAL FORM CORP. PARTNERSHIP, ETC IF INDIVIDUAL INSERT "RESIDENT")
of Baltimore, Maryland as follows:

RECORDATION NO. 18230-40 1-28

MAY 10 1993 10:56 AM

I. GRANT OF SECURITY INTEREST

A. Collateral As collateral security ("Collateral") for all Obligations of Borrower to Bank, and in consideration of advances from Bank to Borrower, Borrower hereby grants and pledges to Bank a continuing security interest in

(1) (Check one)

- ☐ (a) all of the now owned and hereafter acquired machinery, equipment, furniture, fixtures (whether or not attached to real property), supplies and other personal property of Borrower other than inventory, including any leasehold interests therein (plus all replacement parts and annexations thereto), and any maintenance agreements applicable thereto, herein called "Equipment" and specifically including but not limited to that which is described below and in any separate schedule at any time delivered by Borrower to Bank

INTERSTATE COMMERCE COMMISSION

- ☒ (b) the property, herein called "Equipment", which is described below and in any separate schedule at any time delivered by Borrower to Bank, including all improvements and accessions thereto and all spare parts, tools, accessories and attachments now owned or hereafter acquired in connection therewith, and any maintenance agreements applicable thereto.

See Exhibit A attached hereto

(2) all proceeds (including insurance proceeds) and products of the above-described Equipment.

(3) all of Borrower's other assets, specifically including (but not limited to) accounts receivable and inventory, in which Bank has been or is hereafter granted a security interest under any other security agreements, notes, or other obligations or liabilities between Borrower and Bank;

(4) any accounts, property, securities or monies of Borrower which may at any time be assigned or delivered or come into the possession of Bank, as well as all proceeds thereof

B. Obligations The "Obligations" secured by this Agreement are defined to include all of Borrower's notes, indebtedness, extensions of credit, letters of credit, overdrafts and other obligations, whether direct, indirect (by way of endorsement, guaranty, pledge or otherwise), liquidated, unliquidated, fixed, contingent, or howsoever arising, whether now existing or hereafter incurred to or otherwise acquired by Bank, and whether held for Borrower's account or for another or others. "Obligations" shall also be defined to include all obligations of Borrower hereunder or under any other agreement with Bank pertaining hereto. The Obligations shall include new and additional credit facilities for Borrower, whether or not such facilities are presently contemplated

C. Adequate Protection The ratio of the amount of the Obligations of Borrower to the value of all Collateral, guaranties and other security held by Bank, and realizable through commercially reasonable disposition of the property by Bank, has been an essential part of the bargain between Borrower and Bank and has been a crucial fact in establishing the rate of interest charged to Borrower. That ratio of Obligations to security value shall not be varied without the consent of both Borrower and Bank. If the actual ratio exceeds the agreed ratio, then a default under this Agreement has occurred, and the rate of interest on all Obligations secured by this Agreement may be increased by two percent per annum, at the option of Bank, and such increase in the rate of interest shall continue until the actual ratio is reduced to the agreed ratio.

II. REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants that:

A. Authority Borrower is duly organized and qualified to do business in all states where it conducts its business, and Borrower will supply the opinions of counsel to such effect if requested by Bank. None of the terms and conditions herein, or of any other agreement executed by Borrower and Bank, are in violation of the charter or by-laws of Borrower, or any contractual obligation Borrower may have with any third party. The execution and delivery of this Security Agreement have been duly authorized by appropriate corporate or partnership action, and Borrower will deliver to Bank a written opinion of counsel as to the legal propriety of such action, should Bank request same.

B. Litigation No litigation or other proceeding before any court or administrative agency is pending, or to the knowledge of the officers of Borrower, is threatened against Borrower, the outcome of which could materially impair Borrower's financial condition or its ability to carry on its business. Borrower is not the subject of any pending bankruptcy proceeding nor subject to the continuing jurisdiction of a bankruptcy court as the result of an approved plan of reorganization.

C. Financing Statements No financing statements, other than any filed in favor of Bank, relating to any of the Collateral is on file in any place, except as expressly disclosed to Bank in writing by Borrower.

D. Assurance of Title Borrower is the owner of all of the Collateral, or if proceeds of any note or notes secured hereby are being used to purchase the Collateral, Borrower will be the owner thereof, free and clear of all claims, encumbrances, charges and liens, except as herein provided.

E. Addresses The principal place of business of Borrower, the books and records relating to the Collateral, and the Collateral are located at the address(es) set forth in this Agreement or as otherwise provided in writing to Bank.

F. ERISA Since September 2, 1974, no defined benefit employee pension benefit plan maintained by Borrower or any of its affiliates has been terminated, no lien against Borrower exists in favor of Pension Benefit Guaranty Corporation ("PBGC"), and no "reportable event" within the meaning of Sec. 4043(b) of the Employee Retirement Security Act of 1974 ("the Act") has occurred with respect to any such plan maintained by Borrower or any affiliate of Borrower under common control with it within the meaning of the Act. Immediately upon the occurrence of any such reportable event, Borrower will promptly furnish to Bank notice thereof, as filed with PBGC. Borrower will promptly notify Bank of any assertion by PBGC of liability of Borrower or any above described affiliate under Title IV of the Act. The failure of Borrower to pay within 30 days the amount of any liability under Title IV of the Act demanded by PBGC shall constitute a default hereunder.

G. Tax Liens There are no unpaid Federal, State, City, County, or other tax liens presently filed against Borrower and there are no outstanding personal property taxes of any kind.

III. COVENANTS

Borrower covenants and agrees that:

A. In event of any loss thereunder, the carriers named therein are hereby directed to make such payment for loss to Bank, and not to Borrower and Bank jointly. If any insurance losses are paid by check, draft or other instruments payable to Borrower or to Borrower and Bank jointly, Bank may endorse the name of Borrower thereon and do such other things as it may deem desirable in order to reduce the same to cash. All loss recoveries received by Bank upon any insurance may be applied and credited by Bank at its discretion to the indebtedness of Borrower to it.
- J. Bank's Duty of Care Except as herein provided in this Section III (J), Bank's sole duty with respect to the Collateral shall be to use reasonable care in the custody, use, operation and preservation of Collateral in its possession, and Borrower shall reimburse the Bank for all costs and expenses, including insurance costs, taxes and other charges, incurred in connection with the custody, use, operation, care or preservation of the Collateral, such reimbursement to be secured as provided above in Section I. In addition, if the scope of Bank's security interest is as defined in Section I (A)(1)(a) above, then without the prior written consent of Bank, Borrower will not: (1) create, incur or assume any liability for borrowed money, except borrowings from Bank; (2) assume, guarantee, endorse or otherwise become liable in connection with the obligations of any person, firm or corporation, except by endorsement of instruments for deposit or collection or similar transactions in the ordinary course of business; (3) enter into any merger or consolidation, or sell or lease substantially all of its assets, or (4) purchase or acquire the obligations or stock of any person, firm or corporation or other enterprise whatsoever, other than the direct obligations of the United States or Bank.

- B. Foreclosure Upon a default in addition to remedies provided under the Uniform Commercial Code Bank at any time then or thereafter, in its discretion may lawfully enter any of Borrower's premises or the premises where the Collateral is located and with or without judicial process lawfully remove under Section 9-503 of the Uniform Commercial Code the Collateral or records thereof to such a place as Bank may deem advisable, or require Borrower to assemble and make any or all such Collateral available at such reasonable place as Bank may direct and upon reasonable notice to Borrower and other parties entitled to notice realize upon all or any part of the Collateral at public auction or private sale in one or more sales at such price or prices and upon such terms either for cash or credit or future delivery as Bank may elect and/or Bank may foreclose its security interest in the Collateral in any way permitted by law. Borrower agrees that the Bank may foreclose on and sell the Collateral pursuant to Maryland Rule W-78 and assents to the passing of a decree for the sale of the Collateral upon default. At any such public sale or sales Bank may bid for and become the purchaser of any or all such Collateral. The net proceeds of any sale and any amounts received in liquidation of the Collateral, less all costs and expenses incurred in connection therewith including attorney's and paralegal fees equal to 15% of the unpaid balance of the Obligations at the time of default (but not to exceed the amount permitted by applicable law) and at the option of the Bank, less any prior lien claims shall be applied against the Obligations of Borrower in the order that Bank in its sole discretion shall decide and Borrower or other party entitled thereto shall be entitled to any surplus resulting therefrom. Any actions taken by Bank pursuant hereto shall not affect Borrower's continuing liability to Bank for any deficiency remaining after any foreclosure.
- C. Redemption The purchaser at any such sale shall thereafter hold the Collateral absolutely free from any claim or right of whatsoever kind including any equity of redemption of Borrower, and such demand, notice or right in equity are hereby expressly waived and released by Borrower.
- D. Replevin Borrower hereby authorizes and empowers any attorney or clerk of any court of record upon the occurrence of any event of default to appear for and confess judgment against Borrower (as of any term of court) without prior notice to Borrower or prior opportunity to be heard in an action for replevin instituted by Bank to obtain possession of any of the Collateral. If a copy of this Agreement, verified by affidavit of Bank or sworn on behalf of Bank, is filed in such action, it shall not be necessary to file the original Agreement as a warrant to the attorney or clerk. The authority and power to appear for and enter judgment against Borrower shall not be exhausted by one or more exercises hereof or by any imperfect exercises hereof and shall not be extinguished by any judgment entered pursuant thereto. This authority and power may be exercised on one or more occasions, from time to time, in the same or different jurisdictions, as often as Bank shall deem necessary or desirable, for all of which this Agreement shall be sufficient authority.
- E. Offset Bank is further authorized in event of any default by Borrower in its performance of this Agreement, or any and all other agreements with Bank, to charge the sum then due to Bank against any and all monies held by or on deposit with Bank on account of Borrower or its affiliates, and to offset any amounts against any demand or depository accounts which Borrower, or its affiliates, may have with Bank and to enforce such other remedies as may be available at law or in equity, without necessity of election.
- F. Alternative Remedies Bank may enforce its security interest hereunder either alternatively or concurrently with its rights under any and all other agreements between it and Borrower and shall have the full right to realize upon all available Collateral, collecting on the same or instituting proceedings in connection therewith, until Bank receives payment in full of all amounts owing to it under any of its agreements with Borrower, including principal, interest, costs and expenses, and costs of enforcement or attempted enforcement of this or any other agreement among or between Bank and Borrower or any endorsers or guarantors.
- G. Return of Collateral Upon payment in full and performance of all Obligations secured hereby, all Collateral not previously foreclosed may be returned by Bank to Borrower.

VI GENERAL PROVISIONS

- A. Continuity and Termination This Agreement shall become effective immediately and remain in effect so long as any Obligation of Borrower to Bank is outstanding and unpaid, provided that the security interests hereunder shall continue in full force and effect and are non-cancellable by Borrower prior to the termination of this Agreement. The Agreement may be terminated by Borrower upon actual delivery of written notice to Bank of such intention, and payment in full of all then existing Obligations secured hereby, provided, however, that such notice and payment shall in no way affect, and this Agreement shall remain fully operative with respect to, any Obligations, or commitments which may become Obligations, entered into between Borrower and Bank prior to receipt of such notice or payment, whichever is later.
- B. Other Documents The Obligations secured by this Agreement are or shall be evidenced by notes, guaranties, or other documents which are separate agreements and may be negotiated by Bank without releasing Borrower, Collateral or any guarantor or co-maker. This Agreement specifically incorporates by reference all of the language and provisions of such notes, guaranties or other documents. Borrower consents to any extension of time of payment of any Obligations. If there is more than one Borrower, guarantor or co-maker of this Agreement or of the notes or other agreements secured hereby, the obligation of all shall be primary, joint and several.
- C. Remedies Cumulative All rights, remedies and powers of Bank hereunder are irrevocable and cumulative, and not alternative or exclusive, and shall be in addition to all other rights, remedies and powers of Bank whether in or by any other instruments or any laws, including but not limited to the Uniform Commercial Code, now existing or hereafter enacted.
- D. Loans and Advances Nothing contained herein shall be construed as obligating Bank to make any particular loan or advance to Borrower, and Borrower is not relying upon Bank to make or continue to make advances for any purpose whatsoever. All such loans or advances remain within the discretion of Bank.
- E. Non-Waiver Any indulgence or delay on the part of Bank in exercising any power, privilege or right hereunder or under any other agreement executed by Borrower to Bank in connection herewith shall not operate as a waiver thereof. No single or partial exercise of any power, privilege or right shall preclude other or further exercise thereof, or the exercise of any other power, privilege or right.
- F. Governing Law, Severability This Security Agreement shall be construed and governed by the laws of the State of Maryland. If any part of this Security Agreement shall be adjudged invalid or unenforceable as of any term of court, then such partial invalidity or unenforceability shall not cause the remainder of this Agreement to be or become invalid or unenforceable, and if a provision hereof is held invalid or unenforceable in one or more of its applications, it is agreed that said provision shall remain in effect in all valid or enforceable applications that are severable from the invalid or unenforceable application or applications.
- G. Litigation In the event of any litigation with respect to this Agreement, the promissory note(s) or other agreements secured hereby, the Collateral, or any other document or agreement applicable thereto, Borrower waives the right to a trial by jury and all defenses (including the defense of statute of limitations), right of setoff and right to interpose counterclaims of any nature. Borrower consents to the jurisdiction and venue of the courts of the State of Maryland, agrees that any proceedings enforcing or construing this Agreement may be brought in any State or Federal Court in Maryland, agrees that he is subject to service of process under Section 6-103 of the Courts and Judicial Proceedings Article of the Maryland Code, and agrees to accept such service as is authorized by such statute and prescribed in the Maryland Rules of Procedure.
- H. Construction The captions are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement nor the intent of any provision thereof. If this Agreement is signed by two or more parties as Borrowers, they shall be jointly and severally liable hereunder, and the term "Borrower" shall mean each and every party signing this Agreement as a Borrower. The use of singular herein may also refer to the plural, and vice versa, and the use of the neuter or any gender shall be applicable to any other gender or the neuter.
- I. Assignment Neither of the parties shall be bound by anything not expressed in writing. This Agreement shall enure to and be binding upon the heirs, personal representatives, successors, and assigns of Borrower and Bank, and the terms "Borrower" and "Bank" shall include and mean, respectively, the successors and assigns of Borrower and Bank.
- J. Reasonable Notice In connection with notices given it is agreed in all instances that five (5) business days notice is reasonable notice. Notice shall be deemed given when delivered or deposited in U.S. mails with first class postage.
